# Terms and Contract Agreement

Mire Taxidermy has no control over the specimen, nor the many factors, which have a very definite effect on the final result of dressing prior to it being received by us. These include but not limited to: primness, general condition of the specimen, climate conditions, bacterial or insect infestation, decomposition, chemical reactions, and most importantly, the lack of knowledge and facilities in the field by the sportsman. Mire Taxidermy cannot guarantee the results of any mounted specimen. Also, Mire Taxidermy will not be responsible for loss due to freezer failure, power failure, natural disasters, theft, or any other loss beyond our control. Any and all work will be done in the order it is received unless otherwise authorized.

A 50% non-refundable deposit will be placed on all specimens and projects for handling, storage, and skin preparation. The customer agrees to pay the remaining balance in cash and remove the mount from Mire Taxidermy's studio within ten (10) days after notification of completion. If the completed mount is not picked up within that time or other arrangements have not been made and agreed upon by Mire Taxidermy, then a storage fee of \$5.00 per day will be added to the total balance. . No mounts will be shipped until 100% of payment for project and shipping fees are received and all checks have gone through. Personal and company checks are only accepted for deposit fee and for clients shipping their specimens. Any check, which is returned as insufficient funds will be charged a \$25 service fee.

We reserve the right to collect the unpaid balance of the account by action of law. The customer agrees that if an attorney collects the balance by suit, or otherwise, he/she will pay all attorneys fees, court costs and any other costs for the collection. Failure to pick up the mount after one month of notification of completion may result in destruction of mount in order to recover supplies, or the mount will become property of Mire Taxidermy. Mire Taxidermy is not responsible for the condition of frozen, salted, fresh skins, feathers or other specimen body parts at the time of receipt.

I, the client, have hereby read and understand the terms of this contract and by signing in the space below, am agreeing to abide by said terms.
